

Georgios Baloyiannis

Email: gmpalog@central.ntua.gr

Present Position:

- PhD Student - School of Electrical and Computers Engineering, National Technical University of Athens
- Member of Biomedical Optics and Applied Biophysics Laboratory

Education:

- 2004 Diploma of Physics - Department of Physics, University of Athens
- 2009 Master Diploma in Astrophysics - Department of Physics, University of Athens

Research Interests

- Optical Imaging and Fluorescence Imaging
- Fluorescence Imaging Tomography
- Laser - Tissue Interactions
- Applied Optics
- Non - Linear Optics
- 3D Computer Vision
